Marilyn,

Well we finally made it to the point where we are upper, upper classman. Always remember all the great times we've had here at WHS. I sure don't know how I would of ever made it through a few of my classes without you guys to help me. (Adv. Alg.) I hope the future will bring success for you. Stay as you are and you will always go far and always have friends. May God Bless You always,

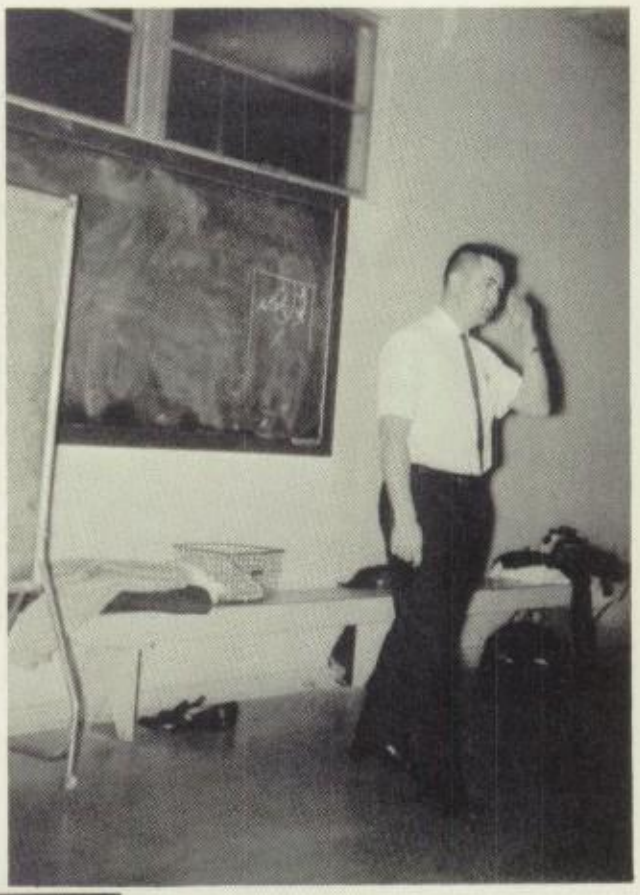
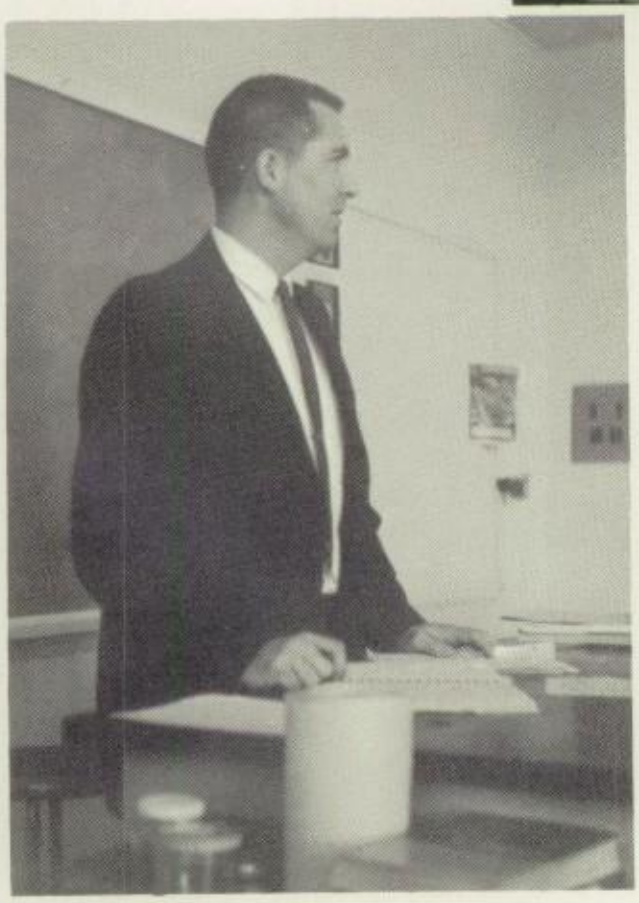
WE DEDICATE THE 1966 MASTIFF TO Mr. McLeod





Mr. Robert McLeod came to Whitefish in 1960 to be our head football coach, and in 1963, he became the coach of the varsity basketball team. Mr. McLeod is a past vice-president of the Whitefish Jaycees and served on the Welfare Committee of the Montana Education Association. He attended Western Montana College in Dillon, the site of Montana Boy's State. Mr. McLeod has earned the affection of the students of Whitefish High School and the nickname of "Coach Roly Poly".

In the

SCHOOL LIFE

section, the events which made the 1965-1966 school year memorable are recorded in pictures for the years to come.

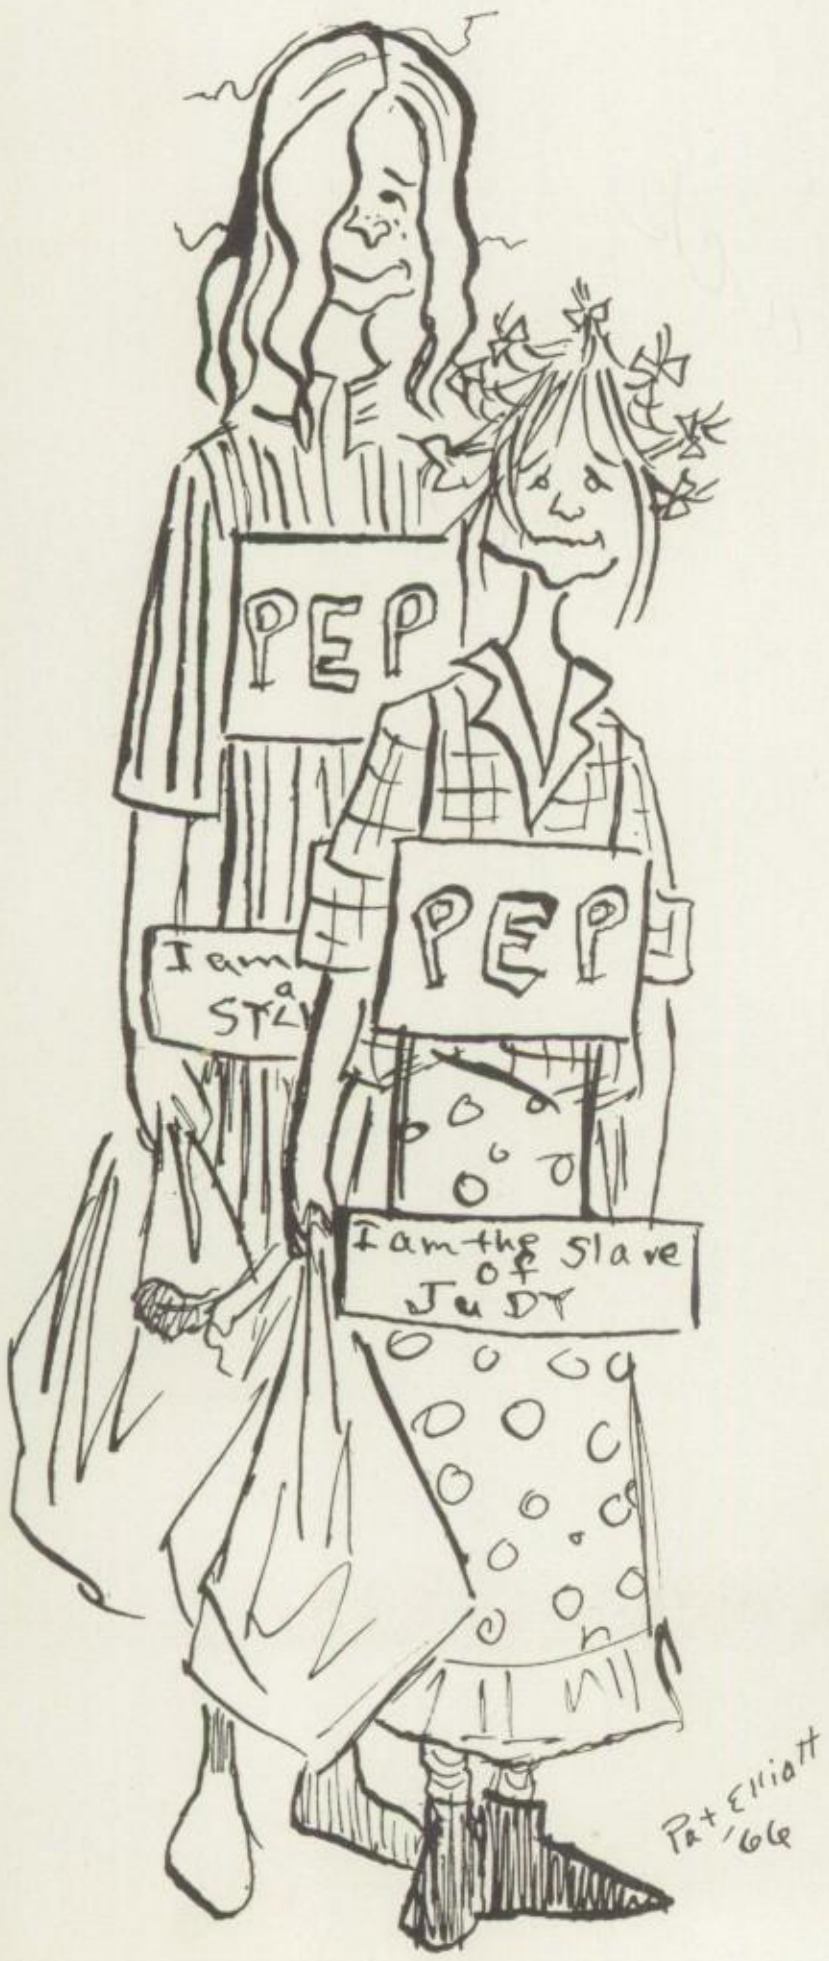
THE MAKING OF OUR

The "W" on Big Mountain, which had been planned since 1960, was given its final coat of white wash on October 28, 1965. Students spend several Saturdays constructing the "W", making each leg 115 feet long and 20 feet wide.

PEP CLUB INITIATION

Aunt Jemima, what took you so long?

Pep Club initiation is a week of fun and work for the new members of Pep Club. This week is topped off by a special initiation program during which the prospective members are put through a rigorous test. At the conclusion, they are given a coke party.



You think YOU look funny!

QUEEN

JUDY

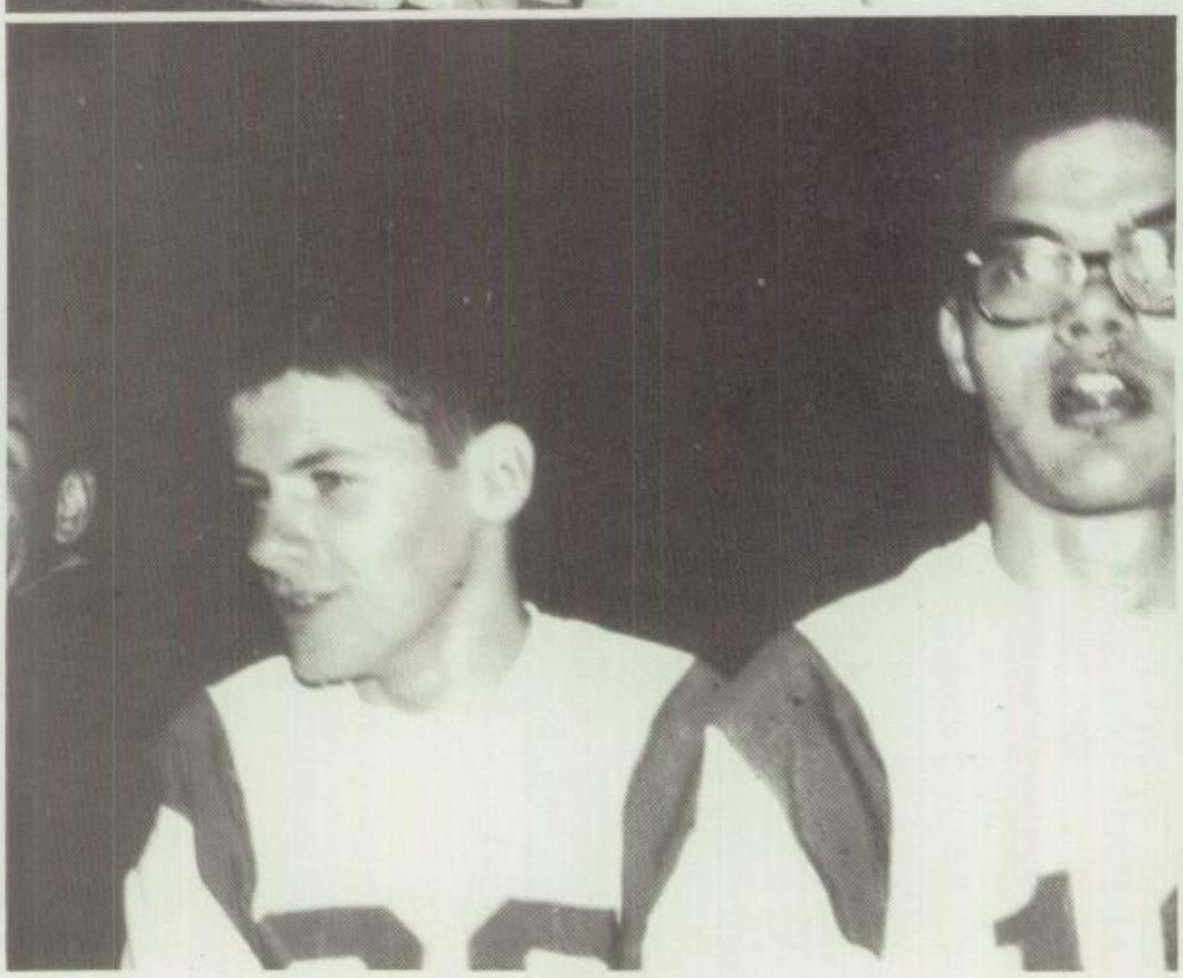
LYTLE

Judy May Lytle reigned as the 1965 Homecoming Queen of WHS. Her coronation by honorary football captain Jim Brousseau marked the highlight of the October 14-15 Homecoming festivities.

A dance honoring Queen Judy and her royalty, Teri Foster, Connie Rice, Yvonne McMillan and Linda Knuth, senior, junior, sophomore and freshman princesses, was held in the high school gymnasium after the game.

Roses were received by the queen, and her princesses were presented with large yellow mum corsages.

Ruth Stacey cheered the team to victory.



TUMBLING TEAM PROVIDES HALF-TIME ENTERTAINMENT

As an additional attraction at the half-time of home basketball games, Coach Mel Hurd began a tumbling team which used a new device, the Minni-tramp. Breath-taking dives through hoops, full straddle flips over girls, front and back flips, and pyramid flips kept the audience in suspense during the perform-ance. All of the boys on the tumbling team were freshmen and sophomores.

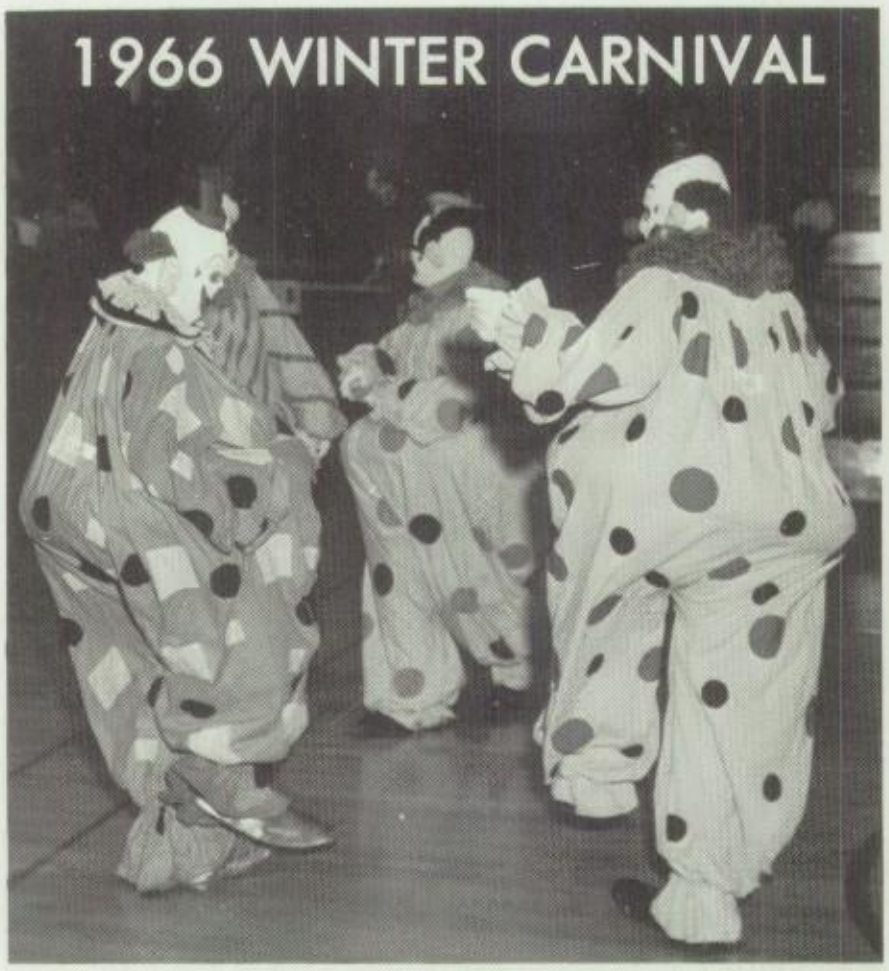
1966 WINTER CARNIVAL



For the first time teen-agers were represented at every Carnival event by Prince Frey, Jim Harker, and Princess Freyja, Valerie Kaeding. In Norse mythology, King Ullr had twin children, a boy and a girl, and the Carnival twins were chosen at a special teen-age ball to reign one year.

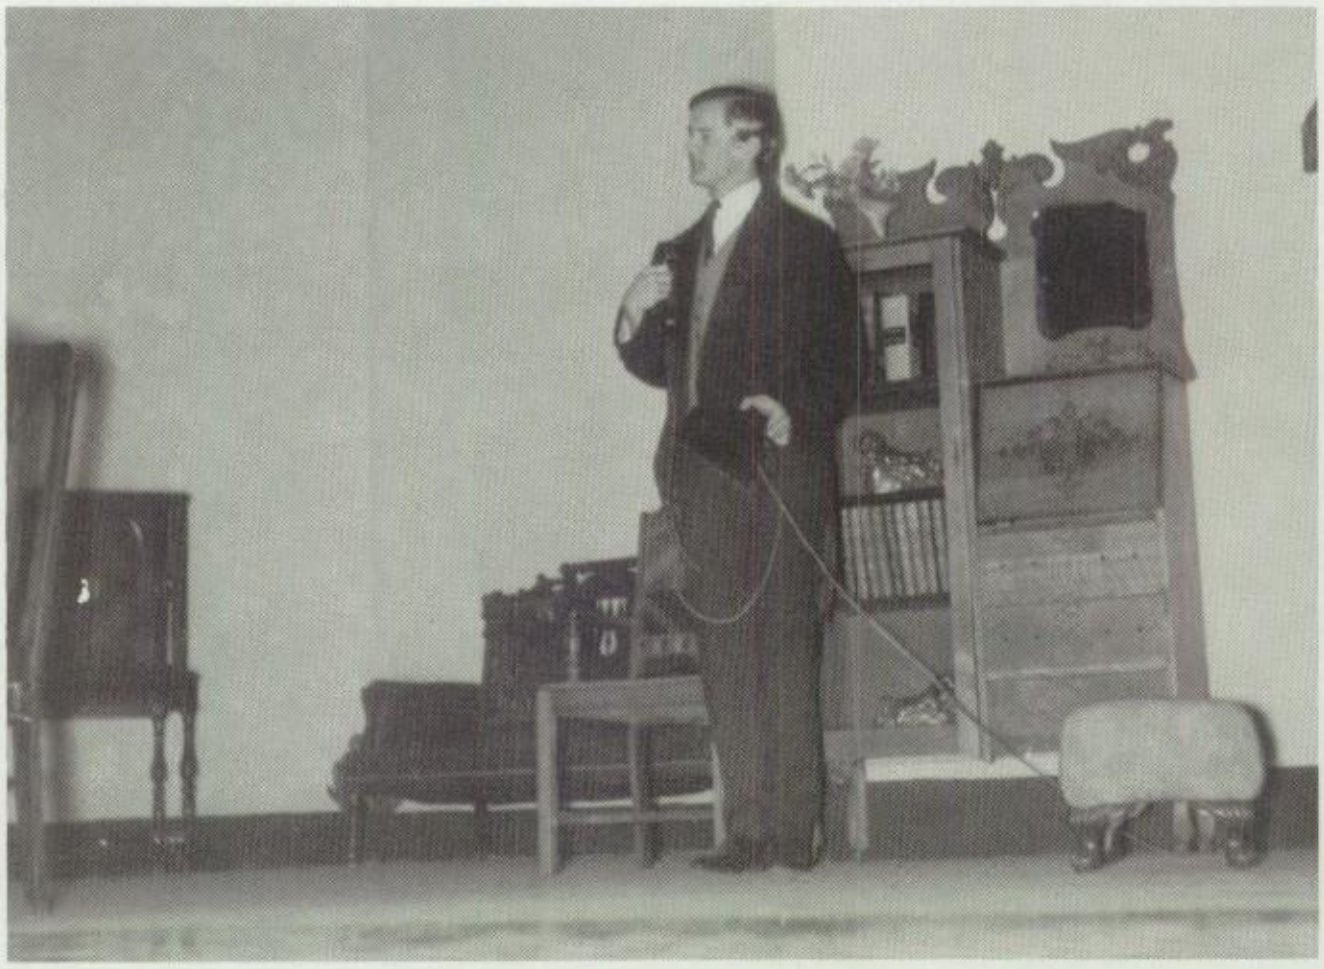
HARVEY

Elwood P. Dowd has many friends, but his best friend just happens to be a six foot rabbit, whom he calls Harvey. Harvey isn't the star of the show only because the audience can't see him. Veta Louise, Elwood's sister, decides she just can't put up with this nonsense any longer and sends him to a sanitarium.



"Harvey, have you seen Mrs. Chauvenet?"

EVERYONE'S GONE TO THE MOON

MOON ROYALTY: Dick Foster, King; Linda Bohart and Connie Rice, Princesses; and Lani Kohler, Queen.

ADMINISTRATION

Congratulations Seniors of 1966

Chances are you have had more opportunities to acquire a quality education than any class in the history of Whitefish Schools. I hope this means you are well equipped to find your way in a world of explosive change. It requires courage and faith. Courage to face squarely the fundamental problems of our times without fear of failure and faith in our precious God given ways of knowing, to ultimately solve these problems.

Good Luck!
Superintendent L. A. Muldown

Modern civilization demands knowledge, understanding, and technological skills. Development of these through education provides the opportunity for progress. Neglect invites misery, exploitation and eventual disaster. These Twelve years you have spent in school will soon be put to use. To you, graduating seniors, the future belongs. Congratulations and Good Luck!

MR. HETRICK HONORED

Mr. Hetrick takes a bow during a concert.

During a concert by the University Band at the State Music Festival in Missoula, May 5,, Whitefish band director, Leonard Hetrick, was awarded the second annual University of Montana Band Distinguished Service Award. This award is made for "outstanding contributions to school bands", and all high school band directors in Montana are invited to participate in the selection of the recipient.

In making the presentation, Dr. David Whitwell, conductor of the University band, noted the many years in which Mr. Hetrick has consistently produced fine music programs and the consequent respect in which he is held by his colleagues.

Mr. Hetrick's students gave him a standing ovation when his name was announced as recipient of the award.

Marilyn,

Best of luck always to a really cool head. Here we are big Seniors and the big juniors & sophs keep us around. We'll have to do something about that. Hmm. Remember us & good times? I hope we can have bunches & bunches more. Be good & have fun. Sure hope you get what you want out of life - keep smiling and I know you will -

Well here goes,
never know what
to say in these
books to a real sweet
kid, I hope you get what
ever you want out of life
I know you will though
so don't worry

Marilyn,
Lots of
luck always.
Remember W.H.S.,
Miss Miller and
church choir.
You're a wonderful
person. Stay that
way. Shirley

Marilyn,
Hi! Well, the big year is finally
here! I just think — in a year you'll be
in college, in two years you'll be
out of college, in three years you'll be
drawing unemployment or getting married! Ha! Ha!
There are people like me, who'll be doing the
same, but in half the time! Really, though, the
future isn't that rosy, and I want to wish you
of luck in anything you set out to do. Remember
TO FAIL is to SUCCEED.

Love ya,
Michele

P.S. If you don't
understand that
last one, don't
worry — I made
it up!
